### **WORK EXPERIENCE:**

- 10/02 – present “KID KIT” Designer - Educational Development Corporation.  
10302 E. 55<sup>th</sup> Place. Tulsa, OK 74146. 918-622-4522.  
Kid Kits are educational activity packets paired with Usborne children’s books. In the 5+ years I’ve been with EDC I have created 64 NEW Kid Kits and Revised another 12 existing kits, several winning awards for educational excellence.  
You can see EDC Kid Kits at [www.edcpub.com](http://www.edcpub.com)
- 05/06 – present College Adjunct Instructor St. Gregory’s University -Tulsa Campus. I teach courses at night, in the field of education, human relations, sociology and business. I focus on motivating adults and enjoy helping them to define their educational and life goals. My course evaluations are always very positive. 918-610-8888.
- 8/91 – present Business Co-Owner (McGoff Creativity, LLC/ BrainSavvy Game Co, LLC)  
We are a research and invention firm dedicated to helping people learn through the use of creativity. I am a patented inventor and enjoy doing research and develop creative educational products. I am experienced in taking product from idea through design and development and then importing the finished products from reputable China factories. 918-865-4637.
- 12/99 – 10/02 Creative Labs, Inc. - Technical Support Agent. I provided technical support to computer users for 3 years. Through this job I gained a practical knowledge of computers. 405-742-6600.
- 9/02 – 12/02 Adjunct Instructor – Oklahoma State University, Stillwater, Oklahoma, in the Human Development & Family Science Dept. I taught a course called Adulthood and Aging. Through this experience my partner and I developed our creative teaching method to make learning into a game which evolved into the BrainSavvy Learning Game.  
OSU - HDFFS 405-744-5057.
- 8/85 - 6/87 Elementary School Counselor - Grades K-6 - Ponca City, OK

Plus I have two years teaching experience at the elementary and middle school level in the 1970s.
